PROFILE

A passionate and dedicated Web Developer with a strong foundation in HTML, CSS, and JavaScript. Skilled in creating responsive and visually appealing websites with a focus on clean and efficient code. Continuously learning and improving through self-driven projects and online courses. Committed to building functional and user-friendly web applications, with a goal to further enhance my expertise in front-end development.

EXPERIENCE

Web Development Projects
Self-Initiated Projects | 2023-2025

- Personal Profile Website: Designed and developed a personal profile website using HTML, CSS, and JavaScript, showcasing my skills and portfolio. The website is responsive and accessible, demonstrating my ability to create visually appealing web pages.
- GitHub Pages Deployment: Published the personal profile website on GitHub Pages, learning the process of version control and project deployment.
- Link: Personal Profile Website

Online Courses
Udemy & YouTube | 2023-2025

- Completed courses on HTML, CSS, and JavaScript, applying the knowledge gained to personal projects. These courses helped build a solid understanding of front-end web development.

Skills Development
Self-Study | 2023-2025

- Actively learning advanced JavaScript concepts, focusing on building dynamic and interactive web applications. Creating daily to-do lists and following a structured learning schedule to enhance coding proficiency.
